# BACKGROUND

Is a private higher institution of learning registered and recognized in the Republic of South Sudan located at Munuki Block C off Mia Saba Road in Juba.

It first started in 2014 as Juba Institute of Health Sciences which had been training mid level health cadres namely, Clinical Officers, Registered Mid-wives, Pharmacy Technicians and Laboratory technicians amongst others. It has graduated over 1500 students and with current enrollment of over 1800 students.

Therefore, the Board of Directors decided in January 2020 to upgrade the institute into a University to cater for upgrading graduates and at the same time to introduce new science based Bachelors Degree Courses to help foster development and prosperity for the young nation and beyond.
